.....

I enclose herewith the case papers ending with letter No.FOP/GFL/BGM/1147-12/63-64 dated 27-12-63 from the Conservator of Forests, Belgaum Circle, Belgaum, on the above subject for perusal.

F/B

The applicant was granted an area of 12 acres of land in F.S.No.36 of Wadgeri on Agri-Silvi basis during 1951. But subsequently the area in possession of the lessee was found to be 15 acres. Offence case was booked against the lessee for occupying the excess area and he was asked to vacate the area. Though he paid the compensation fixed by this Department, he has not vacated this area. He is requesting to grant him excess area also.

According to Government Resolutions No.FDM 1055 dated 3-10-1955 and FDM 1055/155607-E dated 14-1-1956, the forest areas granted on Agri-Silvi system are to be converted as "Inforest Cultivation" plots and granted for cultivation provided the lessee is in continuous occupation of the area for 3 years. Hence the area of 12 acres granted on Agri-Silvi basis can be granted on "inforest Settlement" basis. But the area of 3 acres in excess which is not covered by the original grant reported to be in occupation of the lessee since 1951, and he is reported to have taken much pains to bring the area under cultivation. In the circumstances, the Conservator of Forests, recommends to grant this area as "inforest Settlement" plot. I agree with the proposal of the Conservator of Forests, subject to the condition that the applicant should pay rent from the date on which he is in possession of the area, ie. since 1951. The Conservator of Forests, is being asked to take further action accordingly. My action may please be ratified.

The application is returned herewith. The case papers may please be returned when done with.

Chief Conservator of Forests.

The planting in Agri-silvi areas was to be done as per slip No. 4 within espacement of 12'x12' but he has done the same by planting some trees which stand on the border of the cultivated land and the bunds constructed in it. The Agri-silvi cultivation was not successful in this tract. So, as per the Government letter No.FDM 1055/155607/ dated-14-1-1956, the areas given on Agri-silvi could not be resumed back even if the lessees have not observed all the terms of agreement. Since, the present case falls under the perview of above Government Order, these areas are to be converted as "Inforest Settlement Plot"
